Gaurav J
123-456-7890 my_email@email.com 1234 Main Street Anytown, State ZIP

Profile:

A zealous web developer capable of building your web presence from the ground up.
Fast learner and smart worker, with proficiency in an array of scripting tools and
languages.

Technical toolbox:

☑ 8+ months in Python
☑ 7+ months on Django
☑ 6+ months in HTML & CSS
☑ 6+ months with jQuery & Bootstrap
☑ 6+ months using Git (GitHub, Bitbucket)

Aside from the technical skills that you will see in my profile, here's what you get
by hiring me for your project.

☑ Passionate about learning above & beyond the current setup and using the same in
providing a better solution for the client.
☑ Professional commitment to the project work and clear communication with the
client.

Feel free to get in touch with me if you would like to know more about me and my
work.
